Great Benefits of Digiweb Business Broadband

- Digiweb's network is privately owned and managed by Digiweb.
- The Digiweb network is fully monitored from our Network Operations Centre (NOC), 24/7, 365 days a year.
- Digiweb's Metro broadband is an innovative broadband solution that offers you high speed business broadband connections at speeds up to 8Mb
- Digiweb's Metro platform is delivered over a wireless network therefore no landline is required, saving you time and money.
- Phone line and fax services are available as part of your Metro connection.
- Digiweb's Metro platform can be deployed simply and quickly – meaning no waiting weeks on service to be delivered.

How to order your Broadband in three easy steps:

1. Call Digiweb Solutions team on **0800 169 64 36** or email **business.solutions@digiweb.co.uk**
2. Choose a Business Broadband package
3. Digiweb will process your order and arrange your installation

Some of Digiweb's Current Broadband Customers:

"The Digiweb Metro service delivered a fast effective solution that integrated seamlessly. The Metro service delivered high Qos bandwidth in areas of Dublin that where other wise regarded as broadband black spots!"
Warren Macken, IT Manager at Arnotts
